OF NEW YORK.

RICHARD A. McCURDY, - - - President.

Canada North-West General Agency { OFFICES, Livingston Block, Cor. Main Street and Portage Ave., Winnipeg, Man.

T. C. LIVINGSTON, - - - Resident Director.

LET THE RECORD SPEAK FOR ITSELF.

Total Amount Paid to Policy-Holders to Dec. 31st, 1892 .....$346,466,167.86
Total paid in 1892 to Policy-Holders 19,386,532.46
Total Assets on 1st January, 1893 ..... 175,084,156.61

During the past year the Mutual Life paid to its Policy-Holders and their representatives (widows and orphans) the magnificent sum of **$18,755,711.86,** being the largest amount ever distributed in any one year by any Life Insurance Company in the world, and since the Company's formation in 1843 it has disbursed in the same way the enormous sum of **$346,466,167.86,** being many millions more than the combined payments made to their Policy-Holders by the two next largest Life Insurance Companies in the world. The mind can scarcely grasp the immensity of this sum—**$346,466,167.86**—or realize the great good its distribution has accomplished, in relieving the wants of the needy, in carrying timely assistance and comfort to widows and orphans, and in saving hundreds of thousands from destitution and poverty.

The Best Company is the One that does the Most Good.

THE MUTUAL LIFE'S Cash Dividends and Bonus Additions to its policies far exceed those of any other Company in the world, while its assets exceed by over Twenty Millions of Dollars those of the next largest Company, and One Hundred and Fifty Millions of Dollars more than the entire assets of all the Canadian Life Insurance Companies. Then why pay your money for unprofitable insurance, or still worse, for policies or certificates in weak Companies or Assessment Societies (that you will probably outlive) when you can secure a profitable life insurance provision for your family, and for yourself freedom from all anxiety as to the safety or certainty of the investment made for their benefit, by insuring our life in the MUTUA LIFE INSURANCE COMPANY OF NEW YORK, the oldest Life Insurance Company America and the largest and best in the world.

Persons intending to insure, and those already insured, would do well to consider the advantages offered by THE MUTUAL LIFE before insuring or renewing their present policies with other Companies, for

It DOES Make a Difference WHERE We Insure.

I have no desire to share in the responsibility involved in any one's wife and children, or other dependents being left without the protection afforded by a policy in the grand old Mutual Life; therefore every person who is not already insured in the Mutual Life Insurance Company of New York is cordially invited to call at the Company's office, Winnipeg, and obtain "a policy of life insurance that insures" in a Company that cannot be squeezed out of existence.

Forms of Application, with full instruction, sent to any address upon application.

T. CHISHOLM LIVINGSTON, Resident Director.
